

Everyone in the bearing world has seen a Thrust Roller Bearing like the photo below

We sell and stock our AE series of Thrust Roller Bearings, not much news there, but how about a 10 pcs. order for SS Thrust Roller Bearing with a Band as pictured below.

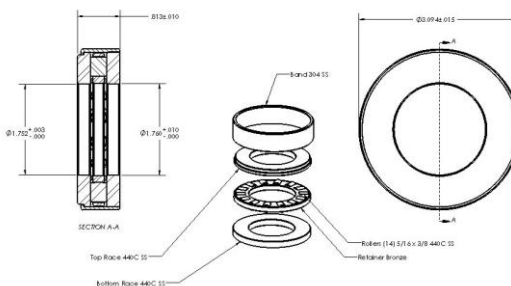

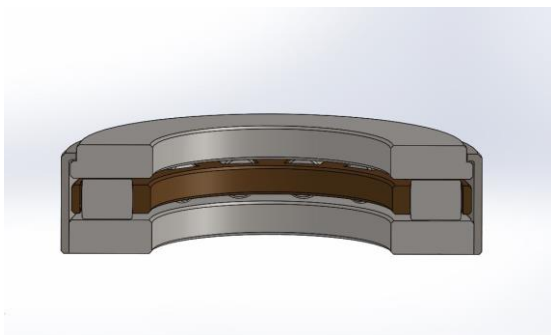

**Quoted delivery time: 6 weeks**

**Actual delivery time: 4 weeks**

**Price: about \$450**

price decreases as quantity made increases

We would be happy to work on your next custom, low to mid volume, bearing request.

Call our sales staff to discuss this or any other requirement.
